Mail Stop Patent Application  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

**REMARKS**

Commissioner:

The present application is a continuation of pending U.S. Patent Application No. 08/473,762, filed June 07, 1995; which application is a division of U.S. Patent Application No. 08/251,590, filed May 31, 1994, which issued as U.S. Patent No. 5,601,989; which application is a division of U.S. Patent Application No. 07/820,409, filed January 13, 1992, which issued as U.S. Patent No. 5,320,947; which application is a continuation-in-part of U.S. Patent Application No. 07/470,645, filed January 26, 1990 and abandoned; all of which applications are incorporated herein in their entirety.

The Cross Reference to Related Application section on page 1 of the enclosed copy of the parent application has been updated to reflect the dependency to the prior applications. An Application Data Sheet which reflects the priority information is also enclosed. No new matter has been added.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
